whether it is a fact that the lost passports were misused with adverse implication due to non-issue/delay in issue of circulars;

whether it is also a fact that there is a delay in issue of passports on Police Verification Report (PVR) overdue basis due to delay in receiving PVRs the reason for delays;

whether it is also a fact that Blank Travel Documents *i.e.* passport booklets, visa stickers etc., went missing in transit;

if so, the details of the cases; and

if so, the action taken by Government?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI E. AHAMMED): (a) Government have introduced, with effect from January 2003, the procedure of making entries of lost passports in the "Passport Information Services on Net" (PISON), which is a computerised information network available to all Passport Issuing Authorities including Indian Missions/Posts abroad. Access to the PISON has also been provided to all major immigration check posts in India. This has minimised the possibility of misuse of passports reported lost by the passport holders. Recently, the Ministry has reiterated instructions to all Passport offices and the Indian Missions/Posts abroad that duplicate passports against lost passports should be granted only after the necessary entry in the PISON and issue of loss circular to the Check Posts.

Issuing of passports on 'Police Verification Report Overdue Basis' was stopped in 2000.

to (e) 500 ordinary passport booklets, which were sent by India Security Press, Nasik through Speed Post to the Diplomatic Bag Section of the Ministry of External Affairs for onward dispatch to Indian Missions abroad, went missing in transit at Palam Airport, Delhi. The Delhi Police has recovered 467 passport booklets. The Ministry has revoked the remaining 33 missing passport booklets to prevent their misuse.

Some blank passport booklets, visa stickers and emergency certificates supplied to a few Indian Missions/Posts abroad were not accounted for as mentioned in the Report of the Comptroller and Auditor General of India on the Performance audit of Passport, Visa and Consular Services covering the period 2000-01 to 2004-05. However, most of these documents were subsequently accounted for or action was taken to prevent their misuse as per details given in the Statement.
